

Morley in Haydock site deal

A FAST-GROWING Cheshire property company has launched its largest scheme so far.

Morley Estates has acquired a 20-acre former colliery site off Penny Lane, Haydock, after a deal with government regeneration agency English Partnerships.

The Cheshire-based investment and development company now plans more than 200,000 sq ft of industrial space on the site. Morley Estates already owns a further 200,000 sq ft of industrial accommodation on the neighbouring Old Boston Trading Estate, which is fully let.
