

## Middleton on move

CHESHIRE investment and development company Morley Estates has appointed Gareth Middleton as a director.

He was previously head of industrial agency at Lambert Smith Hampton's Manchester office, before which he was a partner at Edwin Hill.

Gareth said: "I am very excited about my new role and look forward to the challenges and added responsibilities that it will bring. "I have enjoyed my time at Lambert Smith Hampton and look forward to maintaining a good working relationship in the future."
